Welcome to Woodbourn Arena

Welcome back to the Woodbourn Athletic Stadium for the start of the 1990/91 season. Tonight we welcome Bramley as our first opponents of this league season. Bramley had a poor season last year and we were successful in both matches against them, 26-16 at Bramley and 30-16 in our home game at Batley the following week.

As most of you will know Warren Smiles, who coached the team for the second half of last season has returned to Australia and his place has been filled by Eric Fitzsimons; Eric has spent the last four seasons coaching Rochdale Hornets, Oldham and Whitehaven and, in spite of living on the wrong side of the Pennines, will prove to be a valuable acquisition for the Eagles' coaching staff.

In conclusion, congratulations are offered to our portly winger, Andy Rowley, who, if selected tonight, establishes a new record of appearances for the Alliance Team of 29.
